

Sree Kerala Varma College, Thrissur

Academic, Physical and Support Facilities

Report 2019-2020

The College has a sprawling campus which warrants regular maintenance and periodic augmentation. In the current year, the college spent 18 lakhs for augmentation of college amenities and 16.5 lakhs for infrastructural development. To facilitate effective learning in an increasingly tech-assisted atmosphere, the college has added new labs, classrooms with ICT, LCD and other learning equipment and proper connectivity with wifi and LAN of optimal bandwidth. A well-stocked and upgraded library with Book Magic Management System, ebook repositories and e-journal data base access caters to the research interest of the students. A total of 44075000 is spent on the upkeep and upgrade of the library facilities. The college added to the access to computer systems with 144 computers for student access in addition to the 33 computer labs, 58 internet connections, 15 computer centres and 11 browsing facilities with a bandwidth of 250 or more. We have an automated office management system with computerised office and 17 departments. The institution has spent 18 lakhs on academic facilities and 16.5 lakhs on maintenance. The college spent 27 lakhs on spent enhancing the physical facilities of the college to ensure a finer bunch of amenities for the students. Another 23.5 was spent on the maintenance of the existing physical facilities. Our institution has one of the best Physical Education Department in Kerala and has produced many international and national athletes, who were also placed in comfortable positions in various government/ semi- government institutions. Apart from the funding from college, an active sports alumni and the support of the college alumni is what keeps the show running with much aplomb, the college stadium which was upgraded with the support of the alumni and many playing teams sponsored by our alumni are ample proof to this support system. It is the practice regular maintenance and upgrade that has kept our institution

founded a few days before the Indian Independence to march through the years to provide quality education to thousands of students every year.
